**ROWING IRELAND  
EVENT REFUNDS POLICY**

Rowing Ireland aims to ensure that clubs entering licensed events do so in the full knowledge of the policy of the hosting event committee, regarding refunds of entry fees.

1. The hosting event committee may impose its own refunds policy for the fixture provided it is clearly stated in the prospectus.
2. In the absence of any refunds policy stated on the event prospectus, a full 100% refund shall be paid by the hosting event committee in respect of any fully paid up entry for any crew, to the club making the entry, within a period of 6 weeks after any fixture cancellation.

Any club proceeding to make any entries for a fixture is deemed to have read, understood and agreed to the relevant refunds policy whether stated or not.

Liability for payment of entry fees for heads and regattas begins when entries are made for that fixture. Collection of entry fees is entirely the responsibility of the organising committee.

Any queries should be referred to the Rowing Ireland Domestic Events Committee.

Gordon Reid,  
Hon Secretary
